

# Safari & Wildlife Expedition

## South Africa - Zambia - Botswana

Only in Africa can you be so close to the world's greatest natural wonders and still enjoy the comforts and luxuries of modern life. In the heart of South Africa you will be introduced to wildlife in its natural habitat. At private game reserves, experienced game rangers and trackers will guide you through the wonders of the bush by day and night. Experience Victoria Falls, one of the seven natural wonders of the world. The deafening roar of the water and the misty haze makes it apparent why local tribes call the falls Mosi-Oa-Tuny, the smoke that thunders. In Cape Town, frolic with whales, penguins, and seals at natural reserves, and enjoy Cape Town's botanical gardens, fascinating architecture, historic sites, and exciting night life.
